

Guideline for International Shipping

To our esteemed customers,

If you wish to purchase high quality Swiss design furniture and have it shipped internationally, please take below information into consideration.

To ensure the professional and safe handling of the purchased goods, Wohnhilfe charges a Service Fee on all international shipping. With our packaging and logistics partners, we have previously successfully shipped to the USA, Middle East, Asia and other countries in Europe. After thorough inspection by us, the goods are usually packed in a made-to-order wooden crate, before being transported via air or sea freight.

Handling Charges

Wohnhilfe Service Fee	8% of Merchandise Value
Packaging + Transportation Costs	usually between 15 and 30% of Merchandise Value, depending on dimensions and if transported via air or sea freight

Terms of Payment

50% down payment of Merchandise Value prior to order

Remaining 50% + Service Fee + Packaging / Transportation Costs prior to shipping
